**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 21 You shall reside in a residential reentry center for a period of 30 days. This placement may include a prerelease component, day reporting, and home confinement (with or without electronic monitoring, but not to include GPS) at the directions of the CCM and USPO. You shall abide by the rules and requirements of the facility. You shall remain at the facility until discharged by the Court.

**CAUSE**

On February 11, 2009, this officer met with the offender at the Spokane County Jail in the presence of his attorney, Federal Defender of Eastern Washington Roger J. Peven. The offender subsequently agreed to reside at the residential reentry center (RCC), through the Bureau of Prisons (BOP), for 30 days. Mr. Hurt understands that this time frame will allow the probation office enough time to investigate a viable release plan for the offender.

The U.S. Probation Office is also requesting a status review hearing be held prior to the offender's release from Geiger. This officer will be requesting that the BOP place the offender at Geiger Corrections Center on February 17, 2009, when he reports to the probation office (this officer will transport Mr. Hurt to the RRC). Mr. Hurt's supervised release will commence on February 14, 2009, when he is scheduled to be released from the Spokane County Jail.

I declare under penalty of perjury that the foregoing is true and correct.
